INTRODUCTION

We are proud to introduce ourselves as M/s Sunwat Solutions Private Limited (formerly known as ENGINEERING SOLUTIONS CORPORATION) a professionally managed firm with young, dynamic and result oriented engineers in the field of chemical, mechanical and instrumentation to cater to the customers' technical needs. We proudly announce that we have been supplying our systems to various state Governments in India and proved successful for the past few decades as dependable water treatment experts in terms of supplying systems and maintaining them through AMCs as well. Also, we have established ourselves into the various state and central government departments apart from industrial segments like Steel, Cement, Power, Chemical, Fertilizer, Sugar, Ceramics, Aquamarine and major five-star hotels, corporate hospitals, offices packaged drinking water industries in Andhra Pradesh, Orissa and neighbouring states. We have sufficient inventory as per request of our customers and to take care of supplies and services reach in short period of time.

Sunwat Solutions Private Limited is pioneer in the areas of manufacturing, supply and installation of water treatment plants, equipment, systems, solar powered equipment, solar thermal equipment, in south India, set up in the year 2003; the company manufactures Reverse osmosis water treatment systems & other water treatment related products and solar thermal products, integrates SPV systems, as per customer requirements at the state-of-the-art plant located in VISAKHAPATNAM.

Sunwat Solutions Private Limited provides design, consultancy, and manufacture, up gradation and reconditioning of the existing systems of solar powered products and systems, reverse osmosis Water Treatment system and other water Treatment related products catering to domestic and industrial needs. For custom-designed projects on solar electric and water treatment systems it employs computerized system-sizing design tools.

Sunwat Solutions Private Limited products and systems have been accorded approvals by various test agencies, and its countrywide network of offices, customer support centres and dealers ensure that customers are served efficiently.

OUR DIRECTORS

1. **RAVI KIRAN. A** – Managing Director
Experienced about 22 years in the water treatment field
2. **SOMAYAJULU. S. S.** – Executive Director
Experienced about 27 years in the water treatment field.
3. **SURYA PRAKASH. A.** – Director Technical
Experienced in design, manufacturing, and process for about 6 years.

CORE VALUES

- ❑ **Service:** Our core purpose is to provide our customers with safe and reliable water and wastewater and solar equipment sales and services, in compliance with regulatory requirements. We strive to treat every customer fairly and respectfully, and to address their needs quickly and effectively.
- ❑ **Accountability:** Our organisation is the steward of funds collected to provide a defined service to our clients. We manage these funds responsibly, fairly and with integrity and believe that our clients are best served through continuous improvement and value enhancement.
- ❑ **Customer Confidence:** We foster customer confidence through clarity, honesty, and transparency in all communications and work to educate our customers, community partners, and employees on the issues pertinent to responsible resources management.
- ❑ **Personnel Dedication:** We respect and value the contributions of all our personnel. We encourage employees to increase their professional value through personal growth, expanding their knowledge base and gaining experience within their field. We proactively build a competent, effective, and loyal staff.
- ❑ **Environmental Stewardship:** We recognise and take seriously the responsibility of managing limited and precious environmental resources that are vital to human life . We are committed to safely complying with all applicable regulations to preserve the environment, aesthetic beauty, and economy in and around our service area.
- ❑ **Leadership and Continuous Improvement:** We champion organisational initiatives that support our vision, set a higher standard for excellence, and are consistently aligned with our values. We will:
 - consider the long-term consequences of all actions;
 - integrate our Clients and neighbourhood responsibilities to best serve the organisation and its customers;
 - aspire to set our team as an example of responsible and effective personnel;
 - add value to the Client by consistently embracing creativity, initiative, innovation and technology; and
- ❑ **Long Range Planning and Preparation:** We challenge ourselves to meet the evolving needs of the future through foresight, solid and specific planning efforts, and maintenance of organisational flexibility. We prepare for the unforeseen through commitment to safety, security, and emergency preparedness.

AREAS OF BUSINESS

Sunwat Solutions Private Limited has a wide product range that caters to varied demands in the market like Reverse osmosis-based water Treatment systems, De mineralizing plants, Ultra filtration systems, Nano filtration systems, water softeners, Water treatment Instruments and Meters, Flow totalizers, Chlorinators, Ozonators, Ultraviolet systems, Effluent treatment plants, Sewage Treatment Plants, Solid Waste Management.

Solar water-heating systems, Solar photovoltaic modules, Solar batteries, Solar charge regulators, Solar home-lighting kits, Solar street lights, Solar lanterns, Solar garden lights, Solar water-pumping systems, Solar power packs for homes and offices, Community power packs, PV-Wind hybrid systems, Solar-powered navigational aids, Solar grid-connect power plants, Solar-powered milk chilling units, Solar cooker, and Solar swimming-pool heating system, Bio Sensor based technologies & their spares.

Sunwat Solutions Private Limited is planning several strategic diversifications to complement and augment its current product mix. This will be in harmony with the company's policy of remaining market leaders in its business through continuous innovation, quality improvement and by ensuring customer satisfaction.

QUALITY POLICY

WE THE PEOPLE OF ENGINEERING SOLUTIONS CORPORATION ARE INVOLVED IN MANUFACTURING OF WATER TREATMENT SYSTEMS, SOLAR WATER HEATING SYSTEMS AND OTHER ALLIED PRODUCTS.

WE COMMIT OURSELVES TO ACHIEVE HIGHEST QUALITY PRODUCT AS PER CUSTOMER DRAWINGS, APPLICABLE STANDARDS ETC WITHIN THE AGREED DELIVERY SCHEDULE.

WE ACHIEVE THIS BY ESTABLISHING AND IMPLEMENTING GOOD QUALITY SYSTEMS INVOLVEMENT OF THE EMPLOYEES AT ALL LEVELS. WE WILL WORK TOWARDS CONTINUOUS IMPROVEMENT OF CAPABILITIES AND SKILL OF OUR PEOPLE AND PROCESSES SO AS TO REDUCE DEFICIENCIES IF ANY.

THE EQUIPMENTS ARE MANUFACTURED UNDER STRICT QUALITY CONTROL. THE EQUIPMENTS ARE INSPECTED AT EVERY STAGE OF MANUFACTURE BY OUR ENGINEERS. LEAK PROOF & HYDROSTATIC TESTS, NON - DESTRUCTIVE TESTS LIKE DYE-PENETRATE CHECK, RADIOGRAPHY, ULTRASONIC EXAMINATIONS ARE CARRIED OUT AS PER CODE REQUIREMENT. RAW MATERIAL LIKE PLATES, PIPES ARE TESTED FOR PHYSICAL AND CHEMICAL PROPERTIES

OUR SERVICES

- DESIGN, SUPPLY, ERECTION AND COMMISSIONING OF WATER TREATMENT AND SOLAR PRODUCTS
- MASS FILTRATION SYSTEMS INCLUDING CHLORINATION SYSTEMS
- RETROFITTING AND UPGRADATION OF EXISTING SYSTEMS
- ULTRA FILTRATION / NANO FILTRATION SYSTEMS
- PROJECT CONSULTANCY / CORPORATE TRAINING
- ANNUAL MAINTENANCE CONTRACTS
- TROUBLE SHOOTING, SERVICING AND PREVENTIVE MAINTENANCE

OUR PRODUCTS

- UV SYSTEMS, OZONATORS, CHLORINATORS (INDIAN / IMPORTED)
- UV LAMPS (ALL MAKES & MODELS)
- ELECTRONIC DOSING PUMPS, FLOW METERS, FLOW TOTALIZERS, ROTAMETERS
- CONDUCTIVITY METERS / CONTROLLERS / PH METERS, LAB INSTRUMENTS
- CLARIFIERS, FILTERS, SOFTENERS, DE MINERALISERS / DISTILLED WATER PLANTS
- MINI RO PLANTS, INDUSTRIAL AND COMMERCIAL MINERAL WATER PLANTS
- ION EXCHANGE RESINS (ALL INDIAN & IMPORTED)
- SUPER CHARGED RESINS
- ANTI SCALENTS, CLEANING CHEMICALS COOLING TOWER AND BOILER CHEMICALS
- FILTER MEDIA LIKE ANTHRACITE, ACTIVATED CARBON, PEBBLES, GRAVEL, L D P E POWDER
- MICRON FILTERS, HOUSINGS IN S.S. & P. P.
- CPVC FITTINGS, CPVC BALL VALVES, IMPORTED BALL VALVES
- ALL KINDS OF NYLON MESHES (IMPORTED) UP TO ANY MICRONS
- MULTI PORT VALVES, P. P. VALVES AND ACCESSORIES
- RO PLANT ACCESSORIES, FITTINGS AND AUTOMATIC CONTROL PANELS
- SWIMMING POOL SYSTEMS AND UNDERWATER LIGHTS
- HIGH PRESSURE PUMPS, CHEMICAL / SLURRY PUMPS AND HIGH TEMPERATURE PUMPS
- DIGITAL MANOMETERS AND LASER BEAM DISTANCE METERS
- TWO IN ONE / FIVE ONE POCKET WEATHER METERS
- VIBRATION METERS, TECHO METERS, THICKNESS AND SOUND LEVEL METERS
- FORCE GAUGE METER AND TDR CABLE LENGTH METERS
- SOLAR WATER HEATERS
- SOLAR LANTERNS
- SOLAR PHOTOVOLTAIC
- SOLAR FENCING
- SOLAR STREET LIGHTS

FEW CORPORATE CLIENTS OF M/S SUNWAT SOLUTIONS PRIVATE LIMITED

1	C. M. F. R. I. (CENTAL GOVT.)	29	SASI VARDHINI BEVERAGES
